PRE-COLLEGE PROGRAMS

PRE-COLLEGE COMMITTEE

MICHIGAN STATE
UNIVERSITY

About the Pre-College Committee

The Pre-College Committee at MSU is composed of program directors, coordinators, and senior administrators who work to coordinate the activities of pre-college programs at MSU. The Committee supports and elevates these programs through dissemination of best practices, sharing of resources, and professional development. The committee holds regular meetings. For more information about the Committee, visit our site (spartanyouth.msu.edu/precollege) or send an email to pccomm@msu.edu.

MSU pre-college programs are:

- Designed to educate pre-college age students
- Offered and delivered by MSU faculty and staff or under the guidance of MSU representatives
- Intense in their level of content and number of intentional contact hours
- Purposeful in exposing students to potential careers and academic programs, particularly at MSU.

Looking to start a pre-college program at MSU? Here is what you need to know!

To establish a new pre-college program, confirm that your program adheres to the guidelines set forth in the MSU Pre-College Goals and Committee Mission document (available from spartanyouth.msu.edu/precollege/resources.aspx). If your program meets these requirements, please confirm your program title with a member of the pre-college leadership committee, and provide a contact who will oversee this program on campus and report program data to MSU units.

- All pre-college programs should adhere to the University Minimum Operating Requirements (MORs); hr.msu.edu/documents/uwidepolproc/YouthPrograms.htm.
- Depending on your program structure (day-only or residential), you will need to secure classroom, facility, and dormitory space for your programs.
 - Program directors may arrange for summer residential conferences by contacting Destination State (destinationstate.msu.edu).
 - Classroom/facility spaces are coordinated by department class managers or the Registrar's office. Follow the room request process at roomscheduling.msu.edu.
- Once you confirm with a member of the pre-college leadership team (pccomm@msu.edu), your program will be eligible for advertisement/inclusion in the Spartan Youth Programs website/directory (spartanyouth.msu.edu).
- To maintain pre-college program status, program directors are asked to establish a new admissions pre-college code at admissions.msu.edu/precollege.
- As part of your program structure, please administer the common survey available from spartanyouth.msu.edu/precollege/resources.aspx.
- By November 15 of the year after your program is offered, submit survey data and a one-page annual report to pccomm@msu.edu. Use the template available from spartanyouth.msu.edu/precollege/resources.aspx.

PROGRAMS**
PRE-COLLEGE COMMITTEE

If you complete all of these requirements, you are eligible to nominate 5% of the students from your program for a pre-college scholarship if they are within the 8th – 10th grade range. Complete applications from nominees, along with your director’s recommendation, are due to the Office of Admissions by November 1 of the year following the nominee’s program attendance. Forms are available at spartanyouth.msu.edu/Scholarships.aspx.

University policies and compliance requirements around pre-college programs are updated regularly. You are encouraged to participate on the university pre-college committee, which meets about once a month. Announcements of the meeting are circulated to individuals who sign up for the listserv. If you aren’t a subscriber, please contact pccomm@msu.edu to be added.

Michigan Pre-College and Youth Outreach Conference

The 7th Annual Michigan Pre-College and Youth Outreach Conference was held November 16-17, 2014, at Western Michigan University, Kalamazoo. A number of MSU’s Pre-College Committee members participated in the conference and engaged with professionals in discussions about pre-college programming and university-based youth outreach. A new session focusing on youth presentations was included in the conference. The 2015 Pre-College Conference will be held at the University of Michigan, November 15-16, 2015.

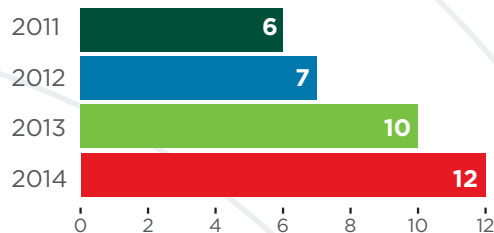

Summary of 2014 Activities

- Geographic regions represented: All of Michigan
- Total participants served: 6,500
- Total intentional program contact hours: 700+
- Pre-college records submitted to Admissions in the past year: 4,854

New Leadership Team Member

Sandhya Shanker was selected as a new member of the Pre-College Leadership Team. Ms. Shanker is an outreach specialist at the Center for Language Teaching Advancement. Her duties include curriculum development, recruitment of volunteers, conducting volunteer and teacher orientations, and overseeing language enrichment programs at area schools. Shanker also teaches French classes for children, teens, and adults at the CeLTA Language School.

**The Pre-College Committee is supported by
the Associate Provost for University Outreach
and Engagement, the Associate Provost for
Undergraduate Education, and the Director of
the Office of Admissions**
